

# LifeFlight Eagle<sup>SM</sup>

*A non-profit organization providing life-saving service for those in need.*

## Core Service Area Map

Circles represent approximately a 30-minute response time (from time flight is accepted). The operational radius of our aircraft is three times that, but in practical terms, most of our flights are conducted within this core service area. For more information or to ask questions contact Matt at 816-283-9734 or [mndaugherty@lifeflighteagle.org](mailto:mndaugherty@lifeflighteagle.org).
